Peplo Skouras	Agiorgitiko / Mavrofilero / Syrah <i>Acacia Amphora Inox</i>	Argos	36

Vin orange

X-mf Tselepos	Moschofilero	Madinia	59
----------------------	---------------------	----------------	-----------

X-mf Tselepos is a very special wine that reaches Moschofilero to the extremes. Is it rose? Is it red? Is it orange? Well, let us tell you that it is a bit of everything and it is really incredible!

The wine is fermented with ambient yeasts in stainless steel tanks, for the first 20 days. The fermentation of the wine continues in clay amphorae where after that, it matures for 6 months. Finally, no sulfites are added and the wine is bottled unfiltered. The result has a deep pink, marginally red color, with a character reminiscent of orange wine and is simply irresistible.

Vins Blancs - Witte wijnen

Fruité / Floral – Fruitig / Floraal
